

How would you like to earn \$2000++?!

RochesterWorks' *Youth Employment Program* can provide **paid internship** opportunities in Customer Service, Healthcare, Hospitality, or Support Service industries!

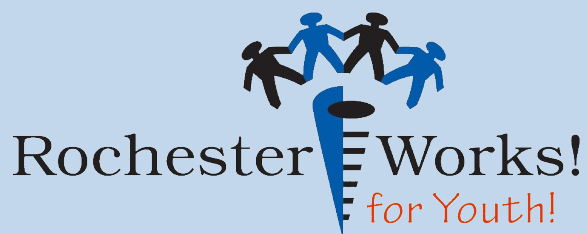

Eligible participants will be paired with local businesses to engage in **paid** internships to **develop transferrable skills** and gain work experience to add to a resume.

Participants will also have the opportunity to **obtain professional references or permanent positions** from this experience to assist as they transition into the competitive workforce.

Youth must meet the following criteria to be considered for the program:

- Ages 18-24
- Not currently enrolled in school
- Income eligibility
- Work with Employment Counselor to Complete Individualized Employment Plan
